

Old Holy Rosary Hospital

Location

Miles City, MT

Complete renovation of this 1910 hospital resulted in 21 low income apartments. The final design resulted in (12) three bedroom, (6) two bedroom and (3) one bedroom units with a variety of floor plans and square footages.

Units are modern and filled with light as the new double-hung wood window units enclose the large original window openings.

Two of the units are handicap accessible
